

## **Mission Statement**

It is the mission of Atlanta South Endoscopy Center, LLC to provide the delivery of a high quality, friendly and caring service while being cost effective.

Our primary objectives are safety, comfort and diagnostic accuracy.

Our focus is patient centered, monitored and evaluated through continuous performance improvement and assessment of the services rendered by each member of the endoscopy team. Communication between patient, family and physician is essential to achieving quality patient outcomes.

## **Goals and Objectives**

We expect to:

- Recognize the unique nature and problems of each patient and strive to meet their needs, in the safest way possible.
- Recruit and retain qualified, competent personnel.
- Deliver a safe, comfortable environment for patients, family members and staff members in order to provide optimum care.
- Educate our staff regarding pain management and pain control so that patients can expect a quick response to their pain.
- Have a continuous program of education for all nursing and ancillary personnel to ensure the delivery of quality of care.
- Perform annual patient outcome studies to determine the degree to which we are meeting our Mission, Goals and Objectives.
- Acquire and maintain AAAHC (Accreditation Association for Ambulatory Health Care), State and Medicare licensure.
